## "AVOIDING AND SURVIVING DISASTERS"

A lot has been said about documenting and digitising your society's collection. Most have taken some precautions but have we done enough to preserve that heritage that we passionately want to pass onto our children and their children?

The AOEHS is privileged to accumulate a number of experts in the field of preservation into the one venue. They will cover the essential steps for survival, to avoid oversights in our plans.

AOEHS is proud to provide a full day event for the heavily discounted price of \$40, all meals provided.

Can you, or your society, risk the decades of heritage that is in your charge by avoiding expert's advice?

## BOOKINGS

Name	Society	Paid (Yes/No)	Dietary Requirements

It is the responsibility of your society’s AOEHS representative to distribute forms to all members and make sure the application form is filled out, all monies collected and any dietary requirements noted. A table seats nine people, so you can set up one for your society, else we can fit you in with others.

**Closing date for applications is Friday 16th June.** Payment MUST be made on or before this date. The application form must be sent to Russ Haines, Secretary AOEHS, 11 Ripley Court, Ringwood, 3134 or emailed to [president@rhs.org.au](mailto:president@rhs.org.au). The method of payment is via an online transfer to the AOEHS account BSB 063-465 Account no. 10042954 or a cheque made out to AOEHS, sent to the above address. When making an online transfer, it is important that you mark the transaction with your society’s name, else the Treasurer cannot discern the source of the deposit.
